

FOREST PRE-SCHOOL

At Park Hall Forest Preschool we strongly believe that children need the opportunity to enjoy the outdoors, play freely and explore and discover in natural surroundings. Learning in such an environment encourages children to be more active, motivated and focused. Children then develop a positive attitude to learning by having the opportunity to learn entirely through play in a beautiful, natural setting.

Park Hall is a fabulous location. Children will have access to the animals, the play areas indoor and out, as well as the two amazing forest areas and the round house as the indoor shelter. Based on the Forest school concept, trained practitioners will be showing the children how to assess their own risk, use tools safely, become independent and use their own initiative.

- Ofsted registered
- Unique educational experience
- Reasonable prices
- Flexibility
